

This Month's ***Beauty with a Cause:***

Each year, millions of pets find themselves a new home during the holiday season. With Thanksgiving just around the corner, PRAI Beauty is excited to sponsor its first ***Home for the Holidays*** program through ***Beauty with a Cause.***

In an effort to deter people from buying from pet stores and supporting the puppy mills that supply them, PRAI Beauty will pay all adoption fees from now until Christmas for any pets that are adopted from the Adopt-A-Dog shelter in Armonk, NY.

If you are interested in bringing home a new companion, please reach into your heart, not your pocket. Simply contact the Adopt-A-Dog Shelter in Armonk, NY and mention ***Beauty with a Cause.*** After the standard interview and selection process, PRAI Beauty will pay the adoption fees on your behalf. We hope that you have a wonderful holiday and a long and fulfilling relationship with your new pet.

Adopt-A-Dog is a dog and cat rescue organization serving New York and Connecticut and beyond for nearly three decades. Ask for Allyson Halm or Brian Gordisky for assistance.
